

Hey there 3rd graders,

We hope that your summer is going well. We know that you are not ready to start thinking about school yet, but we wanted to let you know what school supplies you will need next year.

- 2 pencil pouches (soft, zipper kind - no hard plastic) Many students left their cases from last year in their cubby's
- Pack of Twistables (colored pencils) a variety pack with lots of colors is best. We use these a lot so it's a good investment.

- 3 highlighters, green, yellow and pink
- 1 folder for carrying things back and forth to school
- Backpack (everyday)
- Water bottle

Reflex Math is available all summer so if you didn't reach your goal of 100% fluency in addition and subtraction, you still have time! If you make it we will send you a Prodigy password. If you are already working on Prodigy, it is also available this summer.

We will send you another letter in August, giving you more details about what you can expect next year. Hint: The sky is the limits!

Karen and Lori
