

## Welcome back to Grass Valley Charter School

We hope you had a great summer and are excited to come back to school! Your 7th grade teachers are Juliette Parks and Khara Cormia, and our wonderful classroom aide is Brandy Fisher. Class placement will be sent early August. 7th grade classrooms are Room 21 and Room 23; they are ready for you to make this a fantastic year! Our two Expeditions are entitled *Death Brings Rebirth*, and *Not Just Skin Deep*. For social studies, students will examine the Middle Ages and the Renaissance. For science, students will study the brain and nervous system, cells and genetics, and how the human body systems work together.

Below you will find a supply list. Math teachers may require additional items. Please reuse/recycle as many of these items as you can from home.
