II. Roll Call-done

III. Approval of Minutes from 1-12-10- Motion and Approved

IV. Value Card Sales

A. Update- Sales update passed out and shows \$5256.33 of sales to date which includes the weekend sales of \$471. We still have 251 cards out.

B. Plan for Sales: B & C is a good location to sell since there is a lot of foot traffic after 10am. Plaza Tire may also be a good place on Friday afternoon, but there is limited traffic.

Tim S. will has the art work and will print up sandwich boards for kids to wear at weekend sales.

The schedule for weekend sale dates and locations will be on the Parent Rep Group agenda this week. Mary will be calling parents who have cards out to ask them if they plan on selling the remaining cards or if they would rather sell on a weekend.

V. Wine Tasting/Art Sales

Spring Fling

After discussion of the Spring Fling event, it was decided to hold off on the First Annual Spring Fling event until the Spring 2011 in order to give enough time for a committee to plan for a large successful event. Trisha will chair this event, and Deana will handle the marketing. Set up a Paypal account for easy sales.

Dog Art Sales

Kathryn will chair this evening art/wine tasting event at the end of April or first part of May before Mother's Day. Some possible locations include Center of the Arts, Vets Hall, Summerthymes Bakery, and the Starr Tasting Room. Karen will call the Starr Tasting Room to see when it's available and the costs. B&W photos of students could be another possible way to raise money and include more parents.

Alan is the teacher liaison and will work with Kathryn at a later time to see about doing more art work with other classes using this same style with different subjects possibly tying it into expedition work.

Jogathon- " Laps for the Library"

Donna passed out agenda items and a logistics sheet for planning the jogathon. She explained that it's an easy event to pull off and raise money. This could be a Friday event in Spring after testing, and classes could walk to the fairgrounds. Brian will look on calendar to see available dates. Donna will look into renting/liability fees with the local fairgrounds.

VI. Fundraiser Approval Process

Mike will come up with a simple form for fundraiser events which may include a brief description of the fundraiser, support needed from the foundation, support needed from parent rep group. The form tracks fundraisers so they can be discussed/reviewed through the Foundation committee that meets on a regular basis.

Nature Bowl

Alex made a request for funds for the Nature Bowl. This is an academic tournament.

VII. Update on Meeting with Auditor- postponed

VIII. Budget Update- postponed

IX. Adjourn Meeting @ 4:25pm
