

Grass Valley Charter After School Program

Grass Valley Charter After School Program Parent:

Please fill out the Emergency Information Card attached. Be sure to fill out all areas as clearly as possible. I would like to draw your attention to the back of the card where there is more information to be filled out. Also, please fill out two cards per child. Due to the nature of the program, there will be two or more adults working with your children and I want to ensure that all adults always have the emergency information with them.

Thank You,

Alicia Alonso
