WHAT'S HAPPENING?

Another great week has come and gone. I enjoyed the time I was able to spend with some of you at Back to School night and look forward to building the Room 11 Crew with all of you this year.

This week we will begin our study on verbs to lead the way to writing our first paragraph about dogs. We will also be working in our Work Stations this week, learning how to transition smoothly during rotations. I will continue literacy assessments to help with the formation of our reading groups.

*****Bring in a washed, high quality t-shirt to tie dye by Fri. 9/16***

Things You Should Know....

- Wednesday is a ½ day! There are 4 Wednesday 1/2 days scheduled throughout the year so we can collaborate with other teachers in the district.
- Fieldwork information and permission slips are coming home today.
- Everyone needs to bring a snack each day, even on Fridays.
- Expedition Donations pay for our fieldwork. We cannot do fieldwork without them. If you have not done so already, please be sure to return these as soon as possible.
- Please join the PTC and sign up for the script program.
- Walk-a-thon is next Friday. Are you collecting pledges? Kate's crew's going to come out on top so we can be sure to claim our prize: Duct taping Mr. Martinez to the ball wall!!!
- Interested in sewing science bags? Many hands make the load light. Please let me know if you can help in this capacity.
