**Back to School Night is Thursday, September 1st.
Our class's session is from 7:15 PM to 8:00 PM. I look forward to seeing all of you then!**

I will fill you in on classroom news and events then! For now, just enjoy my shortest note of the year!

Book Orders are due by Back to School Night, September 2nd. . Thanks for supporting our classroom library!

After announcing our Overnight Fieldtrip to the Sierra Buttes last week, I need to let you know that the date has been changed due to a scheduling conflict at the Kentucky Mining Museum, which we will be visiting. We are now going on the same day as Ann's class, which is Tuesday, September 13th, returning on Sept. 14th. You can sign up at Back To School Night on Thursday if you would like to drive/chaperone this trip, and I will have details about that trip for you then. I apologize for the change in date. We thought we had it confirmed, but.....

Math homework is due daily in class, and all other homework is done through a weekly contract due on Fridays.

Garden Clean-up Day: Come help us clean up our weeds and make our campus beautiful. We will work from 12:30 – 2:30 on Friday, September 9th. Come for a few minutes or for the whole time. It is awesome to see what our Crew of Parents can do in a very short time to make a very big difference. Please bring garden gloves and tools if you have them.

Have a great week!
Merry
