Sept. 13th and 14th:
Overnight Camping/
Sierra Buttes Hike

Sept. 15th: Walking Field Trip to Glenn Jones Park (Northstar Mining Museum) for SYRCL Cleanup at Wolf Creek 12:40 PM.

September 16th
Walk a thon

Saturday, September 17th: Maidu Field Day parent docent training

This Thursday is Picture Day. Picture envelopes are going home in today's mail. Purchasing the pictures is always optional, but everyone gets their picture taken. Come in all spruced up and looking good!

Sierra Buttes Overnight: Tuesday, September 13th-14th.

Ann, her husband Orville, Alex, and I hiked to the Lookout at the Sierra Buttes on Saturday. It's a hefty hike, but worth every step when you get to the top. I am sending home the list of supplies folks offered to bring for camping at our brief meeting after Back to School Night. Thank you so much for offering to bring along the gear we need for this one night trip. We will be camping at Wild Plum near Bassetts, but we will need to be up early to get up the mountain in time in order to be back at GVCS by 5 PM.

Permission slips were due today. Please get them in ASAP.

Law Day is this Friday, and we are going to check out the Nevada County Courthouse! **Permission slips were due last Friday. Please get them in ASAP.**

Parent drivers should be at school at 8:45 and ready to load cars by 8:50 on Friday. Be sure your insurance is up to date for this school year in the office. Check with Tina, Peggy, or Cissy. Thanks for helping us out on our first field trip of the year!

Tomorrow, Wednesday, is a minimum day for District Collaboration. There are four of these days in the calendar this year. Dismissal will be at 12:30.

I am working on getting my contacts up to date so that I can email my newsletter to everyone. It's a process!

September 15th, in the afternoon, we are doing some service work for SYRCL at North Star Mine (Glenn Jones Park). Let me know if you would like to help us out.

Math homework is due daily in class, and all other homework is done through a weekly contract due on Fridays.

Garden Clean-up Day: Come help us clean up our weeds and make our campus beautiful. We will work from 12:30 – 2:30 on Friday, September 9th. Come for a few minutes or for the whole time. It is awesome to see what our Crew of Parents can do in a very short time to make a very big difference. Please bring garden gloves and tools if you have them. Help us keep our campus beautiful and pesticide free!

Have a great week!
Merry
