### Extended Day Criteria

At our Share and Care meetings August 22<sup>nd</sup>-Sept. 2<sup>nd</sup>, we will be discussing your child's readiness to attend school for the extended day. Teachers will use the criteria below to make a determination as to whether your child is ready to attend a full day school.

The criteria to determine readiness will be:

- Ⓢ Academic Progress
- Ⓢ Social/Emotional Development
- Ⓢ Physical Stamina

Share and Care meetings: August 22<sup>nd</sup>-Sept. 2<sup>nd</sup>  
Extended Day begins: September 6<sup>th</sup>

Students, who are not ready in September, will continue to be observed and assessed throughout the year. This in no way is a reflection of your child's intelligence or future success in school. Some children just are not ready for a full day and that's perfectly fine. All children develop differently and we want to ensure that school is a positive experience for all. Those students who show readiness to attend school a full day will be given that opportunity when the time is right.

Sincerely,
